Hide Details
From: "Brown, Gerry R (DEC)" <gerry.brown@alaska.gov>
To: Cindi Godsey/R10/USEPA/US@EPA,

Wade said that Hanh is sending the spreadsheet that she used to enter information into ICIS for the 2007 Cook Inlet Authorizations. I don't think I will adopt the authorization procedure from the 2007 Permit. I think facilities need more detail to ensure the authorization matches the application.

Subject: CD

Gerry,

Not going to get over there with the CD this afternoon but here is a searchable version of the index:

(See attached file: 2007 Index to Admin Record.pdf)
